

that the cherries have been diverted. After the diversion has been accomplished, the Board shall issue to the diverting grower a diversion certificate stating the weight of cherries diverted. Where diversion is carried out by leaving the cherries unharvested, the Board shall estimate the weight of cherries diverted on the basis of such uniform rule prescribed in rules and regulations as the Board, with the approval of the Secretary, may recommend to implement this section.

§ 930.59 Handler diversion privilege.

(a) *In general.* Handlers handling cherries harvested in a regulated district may fulfill any restricted percentage requirement in full or in part by voluntarily diverting cherries or cherry products in a program approved by the Board, rather than placing cherries in an inventory reserve. Upon such diversion and compliance with the provisions of this section, the Board shall issue to the diverting handler a handler diversion certificate which shall satisfy any restricted percentage or diversion requirement to the extent of the Board or Department inspected weight of the cherries diverted.

(b) *Eligible diversion.* Handler diversion certificates shall be issued to handlers only if the cherries are diverted in accordance with the following terms and conditions or such other terms and conditions that the Board, with the approval of the Secretary, may establish. Such diversion may take place in any of the following forms which the Board, with the approval of the Secretary, may designate: uses exempt under § 930.62; contribution to a Board approved food bank or other approved charitable organization; acquisition of grower diversion certificates that have been issued in accordance with § 930.58; or other uses, including diversion by destruction of the cherries at the handler's facilities: *Provided*, That diversion may not be accomplished by converting cherries into juice or juice concentrate.

(c) *Notification.* The handler electing to divert cherries through means specified in this section or other approved means (not including uses exempt under § 930.62), shall first notify the Board of such election. Such notification

shall describe in detail the manner in which the handler proposes to divert cherries including, if the diversion is to be by means of destruction of the cherries, a detailed description of the means of destruction and ultimate disposition of the cherries. It shall also contain an agreement that the proposed diversion is to be carried out under the supervision of the Board and that the cost of such supervision is to be paid by the handler. Uniform fees for such supervision shall be established by the Board, pursuant to rules and regulations approved by the Secretary.

(d) *Application.* The handler electing to divert cherries by utilizing an exemption under § 930.62 shall first apply to the Board for approval of such diversion; no diversion should take place prior to such approval. Such application shall describe in detail the uses to which the diverted cherries will be put. It shall also contain an agreement that the proposed diversion is to be carried out under the supervision of the Board and that the cost of such supervision is to be paid by the applicant. The Board shall notify the applicant of the Board's approval or disapproval of the submitted application.

(e) *Diversion certificate.* The Board shall conduct such supervision of the handler's diversion of cherries under paragraph (c) or under paragraph (d) of this section as may be necessary to assure that the cherries are diverted. After the diversion has been accomplished, the Board shall issue to the diverting handler a handler diversion certificate indicating the weight of cherries which may be used to offset any restricted percentage requirement.

§ 930.60 Equity holders.

(a) *Inventory reserve ownership.* The inventory reserve shall be the sole responsibility of the handlers who place products into the inventory reserve. A handler's equity in the primary inventory reserve may be transferred to another person upon notification to the Board.

(b) *Agreements with growers.* Individual handlers are encouraged to have written agreements with growers who deliver their cherries to the handler as
